

LAUYANS & COMPANY, INC.

A W.M. Kelley Company 100% Employee Owned

100% Employee Owned W. M. Kelley Company, Inc. of New Albany, Indiana is proud to announce the acquisition of Louisville, Kentucky based Lauyans & Company, Inc. Lauyans & Company is an innovative engineering and manufacturing company providing industry with conveyor systems and permanent magnet solutions. Established in 1986, Lauyans has served its customers with a wide variety of products and services over the past 34 years. W.M. Kelley, established in 1970, has over 50 years of experience in metal manufacturing for material handling and other industries. We specialize in the design and manufacture of material handling equipment, custom metal fabrication components, and complete assemblies.

The decision to partner with Lauyans & Company is an acknowledgement of their talented and hard-working staff as well as their continued success in custom creative engineering and design. Along with the W. M. Kelley team, Lauyans & Company will continue to provide engineered products, overhead conveyor, and permanent magnet solutions while concentrating on customer satisfaction. Together we will be better equipped to serve all of your design and fabrication needs. Lauyans & Company team members joining the W. M. Kelley family will share in its employee ownership and contribute to our continued success.

Lauyans & Company, Inc. will continue to operate out of its current facility located at 2929 W. Chestnut Street, Louisville, Kentucky.
